

APPROACH 1

- Fast access to notes
- No time waste
- Anytime Access
- Easy learning
- Easy process

APPROACH 2

- No notes
- Huge Time Waste
- Redundant work
- No learning
- Headache process

APPROACH 1:

- Used a Bit space for writing chapter 1 notes (memoize)
- Helped us to optimize time
- Time Efficient Approach

APPROACH 2:

- Being lazy, written no notes
 - No memoization, No help at all
 - Time Inefficient Approach
-

What DP helps?

- Use space and optimize time, makes process efficient
- So, memoize things to make things easier for future use and to improve time a lot
